1.0 Introduction

Mission:
To enhance the economic opportunities and empowerment of rural poor with focus on women and marginalized groups of Rajasthan

Objectives:
- Promote community institutions – Women self-help groups, Federations, Producer Organizations
- Financial Inclusion through Project Support & Bank linkages.
- Provide livelihood support through promotion of small and micro enterprises in the areas of farm and non-farm sectors for income enhancement of the poor.
- Develop skills of rural youth
- Converge with other government programs including various departments for leveraging impact

Rajasthan Grameen Aajeevika Vikas Parishad (RAJEEVIKA) is an autonomous society established in October 2010 by the Government of Rajasthan under the administrative control of Department of Rural development. The society is registered under Society Registration Act, 1956 and mandated to implement all rural livelihoods programs associated with SHG based institutional architecture.

Key Projects implemented by RAJEEVIKA:

Presently, following livelihood projects are being implemented by RAJEEVIKA:-
- World Bank funded, Rajasthan Rural Livelihood Project (RRLP): 60 blocks; implementation from September 2011.
- World Bank funded National Rural Livelihood Project (NRLP): 9 blocks; implementation from April 2013.
- GOI funded National Rural Livelihood Mission (NRLM): in rest of the blocks in phased manner; implementation from April 2013.
- IFAD funded Mitigating Poverty in Western Rajasthan (MPoWeR): 7 blocks of Western Rajasthan from January 2008
Approach

To support the development of livelihood opportunities for the rural poor, specially women and marginalized groups through following:

- **Promoting community institutions** – Women Self Help Groups, VOs, Federations, Producer Organizations.
- **Financial Inclusion** through Project fund & Bank linkage.
- Providing **livelihood support**.
- **Skill Development**; and
- **Convergence** with other government programmes.

2.0 RGAVP Progress at a glance

- **Mobilisation**: 78672 SHGs have been formed by mobilising about 9.2 lac women in 134 blocks of 32 districts. This has been achieved by Community Resource persons as well as Active Women.

- **Financial Inclusion**: More than 7.1 lac members of 60875 SHGs have been benefitted with the revolving fund and Community Investment support to the tune of Rs 573.5 Crores.

- **Village Organisation formed**: Total 5675 VOs have been promoted.

- **Cluster Level Federations**: Rajasthan be the first State to have federated into Cluster Level Federations. As on reporting period 188 CLFs have been promoted and 92 CLFs registered under co-operative societies act. Each CLF has been covering about 5000 women from 35-40 villages and operates like a Mini Bank with a corpus of about Rs 2.5 crore.

- **Community Managed Sustainable Agriculture (CMSA)**: The CMSA project is being implemented with the objective of ‘reducing the cost of cultivation’ without adversely impacting the yields. It is being done by replacing costly chemical pesticides and fertilizers with home-made organic manures and bio pesticides. SERP is providing technical back stopping to RGAVP on this. It started with 2 blocks and expanded in 6 more blocks and benefitting 17850 SHG member farmers.

- **Productive Asset Building on the fields of women SHG members to strengthen their livelihoods**: Assets like Farm Ponds, Field bunding, Horticultural Plantations, Goat/cattle shed, NADEP/ Vermi Compost pit etc. are being leveraged from Mahatma Gandhi NREGA for 1 lakh SHG members. Each member would get assets worth min Rs. 1 lakh this year. The Government of Rajasthan has authorized the
Clusters Level Federations of the SHGs to work as Program Implementing Agencies (PIAs) for category B works of SHG members. Entire work of estimation of costs, issuing muster rolls, measurement of works, etc. will be done by CLFs and the delays being greatly reduced.

- 138 women are selected as Bare Foot Technicians under MGNREGA.
- 1,702 women MATEs are trained and deployed under MGNREGA. envisage
- Total 13745 youth from SHGs have been skilled with self and wage employment through RSLDC, RSETIs and CIPET.
- As part of social inclusion (to proactively include most vulnerable sections of society) in NRLM, RGAVP has signed an MoU with J-PAL (international research and policy network) and Bandhan (NGO) to work with Ultra Poor in Manoharthana block of Jhalawar as a pilot.
- Transaction based MIS System rolled out to monitor various interventions and for measuring performance of Staff.

**MEC Project:** RGAVP has entered into an MoU with Kudumbshree to develop MEC led micro enterprise development in three 3 selected three districts viz. Kota, Bhilwara and Udaipur on pilot basis. The expected key outputs are listed below.

- One hundred fifty (150) Micro Enterprise Consultants will be trained and placed in the pilot districts.
- Thirty Five (35) of the selected MECs will be trained and placed as CREAM MECs.
- The trained MECs will be organized to form self-reliant enterprise groups for providing services to micro-enterprises and self-employment ventures, besides serving as enterprise promoting arm to the RGAVP.
- The MEC Groups will have clear business plans for providing their services.

65 MECs have been trained and deployed. So far they supported 2452 Micro enterprises.

**PRI-CBO Convergence:** RGAVP entered into MoU with Kudumbashree for creating a model for supporting both PRI and CBO Networks for effective convergence leading to sustainable and better implementation of NRLM in 3 Blocks of 3 districts – Sangod (Kota), Kherwada (Udaipur) & Asind (Bhilwara). In the long run the partnership should result in the creation of a robust institutional structure of the poor that is closely linked to local governance and development. The total cost of MoU is Rs. 6.00 Crore in a period of 3 years. The major deliverables are:
- Developing and executing community based sensitization campaigns
- Developing Local and block level resource Groups (LRGs and BRGs) for addressing poverty by enhancing and capacitating human resource in villages.
- Converging the implementation of MGNREGS/other CSS for strengthening PRI – CBO interface
- Providing organizational and functional capacity building to both PRI & CBO leaders.

3.0 Institution Building

3.1 Self Help Groups

Institution Building has been one of the key activity for RAJEEVIKA. Mobilisation of poor women in to Self Help Group at village level has been the first step for RAJEEVIKA towards achieving its goal. As on September 2017 RGAVP mobilized about 8.9 lac households into 77672 SHGs

Through the social capital generated in resource blocks, the implementation in remaining blocks has been successfully initiated in a phased manner with the help of internal Community Resource Persons (CRPs). Programme being implemented with the help of Internal Community Resource Persons graduated from Resource/Intensive blocks

Different approaches are being used by RGAVP for Institution Building and social mobilization for execution of various Projects under RGAVP. Self Help Groups (SHGs) and their higher level institutions like Village Organizations (VOs), Cluster Level Federations are being formed. RGAVP is also building on the already existing

RGAVP

- No of Blocks Covered: 134
- No of GPs covered: 3324
- No of Villages entered: 10022
- No of SHGs promoted: 80550
- No of VO’s promoted: 5926
- No of CLFs promoted: 196
- Producer Companies: 13
human resource in the form of women’s self help groups and their higher level federations and women led producer organizations.

3.2 Village Organizations:

SHG’s are empowered to form the village level federation of SHGs called Village Organization. In one village, women are mobilised in to more than one SHG with smaller and manageable size in each groups however there has to be integration of village level SHGs which will become platform for women to organise and share their issues collectively as village. Moreover the Community Investment Fund has to be received by VO for on lending to village SHGs. With existence of VO in village, Cluster Level Federations or RGAVP who provide the CIF need not to deal with large number of SHGs separately in each village. Moreover the Village organisations also take the responsibility of repayment of loan from each Institution.

5926 Village Organizations have been promoted till reporting period.

3.3 Cluster Level Federations

CLF will be the prime Community Institution through which Community Investment Fund will be routed by the project to the community. Each CLF has been covering about 5000 women from 35-40 villages and operates like a Mini Bank with a corpus of about Rs 2.5 crores. It also provides a platform for representatives from VOs to resolve their issues regarding entitlements, convergence and effective implementation at grass root level.

Since inception, all the project activities like CIF disbursement, bank linkage, linkages with livelihoods & social activities, training & capacity building except formation of community institutions were carried out by the project staff.

After formation of CLFs, RGAVP entrusted CLFs to execute all cluster level activities under this project. Since the CLF Office Bearers (OBs) and Executive Committee (EC) members are from poor families and are mostly illiterate, they lacked required capacity to handle project activities through their institutions. Therefore, 6 months long training and capacity building plan was developed and executed for Office Bearers and EC members of CLF. To strengthen CLF and to support business planning YPs have been deployed as Cluster Program Managers.
196 Cluster Level Federations has been promoted and 92 registered under Co-operatives Act.

### 3.4 Special Project on Strengthening Cluster Level Federations

Cluster Level Federations (CLFs) are the third-tier community institution functioning with the objective for supporting and facilitating institution building, delivering financial services and provide livelihood support services to members of Self Help Groups. However, there are few issues like improper fund management system, lack of loan tracking system, unavailability of business plan and financial literacy etc which need to be addressed for the long term sustainability of the CLFs.

**Current Status and Progress:**

NRLM, MoRD has approved a special project for Strengthening of 21 Cluster Level Federations (CLFs) in 5 NRLP block with total budget of Rs. 3.4 Crore for period of 2 years. Following deliverables have been completed so far:

- All 21 CLFs have hired its own staff.
- All 21 CLFs have prepared their annual action plan.
- Orientation and training of Office bearers of 21 CLFs have been completed.
- Annual Action plan of all 21 CLFs has been prepared for financial year 17-18
- CLF Start-up fund has been released to all 21 CLFs.
- Registration of all 21 CLF under cooperative act has been done.
- Training need assessment of the CLF has been completed and training module is under preparation.
- For SMS alert system to track loan, initial study on current MIS system has been conducted.

### 4.0 Social Inclusion

As per BPL plus policy of RGAVP, 9.5 lakh beneficiaries have been mobilized to form 80550 Self Help Groups. Among SHG members being benefitted through Project activities, 44% belong to ST community, 19% to SC community and 30 % to Other backward communities and remaining 7% from other communities.
The CRP follows Participatory Identification of Poor (PIP) while forming village level Self Help Groups. Most vulnerable and poorest of poor have been covered under the SHG fold. RGAVP has been focusing on saturation at village level and this will again ensure the coverage of poor in the SHG movement.

RGAVP has put in special efforts to include the most vulnerable in to RGAVP fold with initialization of special projects, the inclusion of Person with Disability and Targeting Hard core poor.

**Inclusion of person with disability:**
RGAVP has initiated the pilot on inclusion of Person with Disability since September 2015 in 3 blocks (Bakani, Sangod and Jhadol) of Rajasthan under RRLP. The overall objective is inclusion of most vulnerable in to mainstream SHG fold, however considering the extremity of the vulnerability due to the disability, mobilization of PwD in to separate groups have been taken in RGAVP under pilot project.

**Progress:-**
- Orientation to Block , District and State team on inclusion of Disabled person
- Primary survey conducted in 3 blocks covering 177 villages, 4881 SHGs and about 53,691 HHs. During primary survey 4841 Disabled were identified includes 2725 female and 2138 males.
- The primary survey format was designed by Consultant, Disability, survey was conducted by CRP after conducting in-depth training
- 171 DPGs were formed by CRP in 3 blocks, 36 in Bakani, 61 in Sangod and 74 in Jhadol.
Based on the work achieved during the pilot, it has been decided to form total 500 DPGs in the 3 blocks with focused interventions of strengthening the DPGs with RF, and CIF, certification (in case of requirement), benefit DPGs with their due entitlements, Skill training, support PwD with therapies (by RRP and referral services) and assistive devices (through convergence). Concerned CLF will be sensitized.

**Targeting the Ultra Poor (TUP):**
Targeting the Hard-core Poor (THP) programme is being scaled up in the Manohar Thana Block, Jhalawar District, Rajasthan by Bandhan-Konnagar in collaboration with RGAVP and supported by J-PAL SA. The programme was rolled out in December 2016 for 1,000 ultra-poor women households, who will be provided carefully sequenced support—a productive asset such as livestock or supplies for petty trade, technical skills training, savings support, temporary cash or in-kind support to tide over immediate consumption needs, and regular mentoring and coaching, over a period of 24 months—to attain sustainable livelihoods and ultimately graduate out of extreme poverty.

**Highlights - Progress Summary**

- Completed identification of 1,000 beneficiaries and beneficiary list shared with RAJEEVIKA
- Selection of enterprises completed for all the beneficiaries
- Confidence Building (CB) and Enterprise Development (ED) training are being conducted across all branches
- Partial asset transfers were done to all beneficiaries and weekly home visits being done by staff.
5.0 Financial Inclusion

The main objective of the RGAVP and all different project activities is to mobilise poor and their capital formation at household and group level. Access to financial services plays a crucial role in poverty alleviation and inclusive growth.

The SHGs who are regular in following Panchasutra and following good management & financial norm are being supported further with provision of Revolving Fund and Community Investment Fund (CIF) through Micro Credit Plan (MCP) mode for extending opportunities for livelihoods and various other needs.

This enables SHGs to access loans and undertake income generation activities individually as per the Micro Credit Plan and increases incomes. Proper use of RF & CIF inculcates financial discipline among SHG members and helps them in accessing bank loan.

MCLP for 48123 SHGs have been prepared and Community Investment Funds has been given to 45975 SHGs amounting to Rs 493.25 crore.

5.1 Credit Linkage

One of the major objectives of RAJEEVIKA is to link SHG with credit from Bank. Credit support from Bank will upscale the future fund flow of SHGs. SHG-Bank Linkages is one of the important prerequisite for poverty alleviation which not only ensures credit to poor on fair terms but also helps them invest in building sustainable livelihoods. Since last 2 years, intensive engagement with banks at all level i.e. policy and execution level have been carried out by RGAVP to facilitate SHG-Bank linkages and win the confidence of bankers. Quality SHGs for credit linkages, appointing Bank Sakhi, Zero NPA policy, on-field orientation of Sr. bankers (Zonal/regional heads, Chairman RRBs), support in repayment etc. are some of initiatives taken by RGAVP to streamline SHG-credit linkages in the state.

To facilitate credit linkages 272 Bank Sakhis have been deployed in those branches where more than 50 SHGs having their saving accounts. As on September 2017, 25153 SHGs credit linked to the tune of about 189.31 crore.
5.2 Digital financial inclusion initiatives

5.2.1 Business Correspondents
Financial inclusion plays a crucial role in poverty alleviation. In order to ensure timely delivery of financial services (opening accounts, deposits, withdrawal, Remittances, Insurances & Pensions) at doorstep to every household at village. RGAVP has partnered with various banks to appoint SHG members as Business Correspondents (BC) and to tap existing network of already deployed BC agents to leverage financial services and ensure timely delivery of financial service to SHG members at village level.

Phase 1: NRLM, MoRD has approved a special project in September 2016 to pilot the concept of Business Correspondent agents in Begu (Chittorgarh) and Kekri (Ajmer). RGAVP has entered into MoU with two banks i.e. BRKGB and RMGB for BC model. There are 15 SHG members working as BCs and there are 25 existing BCs who have been trained and they are providing banking services to SHG members. Block Coordinators are identified in both the blocks.

Phase 2: Based on the progress of pilot project NRLM, MoRD has approved the scaling up of project in April 2017 for another 22 blocks across 15 districts for total financial inclusion with total budget of Rs. 3.94 Crore. Following deliverables have been complete so far:

- State level workshop of staff of all the 22 blocks was conducted to impart awareness regarding the project
- Training manual for Business Correspondent agents is developed
- Books of records for tracking transaction are prepared.
- Total 72 SHG members are identified and 35 working as BC agents
- 22 Block coordinators are identified to be deployed in all the 22 blocks.
5.2.2. Setting up Financial Institution for Women SHG in Rajasthan

Objectives:

SHGs have become proven and time-tested vehicle for financial inclusion, especially savings and credit. Based on the successful experiences of poverty alleviation in many states including Rajasthan through Self Help Groups, it has estimated that an investment of Rs. 1.5 -2.00 lakh per member is required in repeated tranches of credit in a time frame of 6-7 years. Based on field experiences & reports, it can be inferred that there is huge mismatch between demand and supply of credit and the quantum of mismatch will increase with increase in no. of SHGs & outreach of RGAVP. Hence, there is a strong need to have a separate financial institution primarily for credit delivery to SHGs which will be cost effective and efficient so as to make credit available whenever required by SHG and its members.

Current Status and Progress:

NRLM, MoRD, GoI has sanctioned a special project on setting up a specialized financial institution in September 2016 to find out feasibility analysis and preparation of Detailed Project Report (DPR) for setting up specialized institution in the State and has approved total amount of Rs.50 lakh.

Based on the advisory of MoRD, GoI, Stree Nidhi Credit Cooperative Ltd, Dept. of Rural development, Telangana, has been selected as a technical service provider for carrying out feasibility study and preparation of DPR and MoU signed in Feb 2017. Stree Nidhi with support of RGAVP has carried out detailed field survey and prepared the feasibility report which says that there is need for a specialized financial institution for SHG women in the State. A consultation workshop was also organized with senior bankers, NABARD, SIDBI, RBI to share the findings of the feasibility report.

Stree Nidhi is preparing the Detailed Project Report (DPR) which includes mission, vision, objectives, structure, business model, legal framework, management structure of the proposed institution.
6.0 Livelihood Development

RGAVP has prepared livelihood strategy plan to cover more than 250000 households by integrating farm, off farm and non-farm based livelihood development activities across the State.

RGAVP has planned to take up the following livelihood development in an integrated way for members of SHGs, the rural poor women.

- Livestock based livelihood clusters development covering about 60,000 House Holds over a period of 3 years
- Agriculture based livelihood clusters development covering about 60,000 House Holds over a period of 3 years
- Non-farm livelihood clusters development covering about 7,450 House Holds over a period of 3 years.
- Skill Development covering about 27,700 youth of SHG members of RGAVP
- Convergence with MGNREGA, LIFE, IAY, Rural Development schemes plan to benefit about 1,00,000 households during 2016-18.

• 20908 households being benefited through crop clusters in 12 districts, 1061 krishi sakhis have been trained and supporting field level implementation.
• 8914 households mobilized and being benefitted through vegetable clusters in 7 districts with the support from trained 380 Krishi sakhis.
• 18424 HHs being benefitted through agriculture interventions under MKSP in 18 blocks of 13 districts.
• With the help of external Agency ISAP, more than 6400 households have been covered under agriculture based livelihood programme in Jhalawar,
Churu and Udaipur districts of Rajasthan. Total 4 Farmers producers Organisations have been formed.

- Non-farm clusters have been on handicraft skill of the members i.e. Tie and Dye in Churu District and Leather works in Dausa.
- More than 900 members have been trained in hand-roll agarbatti production with the support of Indian Grameen Services in Jhalawar district
- 14039 youth have been trained under Skill Development.

6.3 Community Managed Sustainable Agriculture (CMSA):

The main objective of CMSA is to bring sustainability to agricultural based livelihoods, with special focus on small and marginal farmers, tenants, agriculture labour and women.

So far, 17850 farmers have been brought into the fold of CMSA. The results of the interventions have been quite encouraging and farmers are getting benefits in terms of increase in production as well as substantial reduction in cost of cultivation.

6.4 Non farm Livelihoods:-

MEC:-

This project’s main aim is to promote small, village level enterprises in the community, by the community. RGAVP is doing this pilot project in partnership with Kudumbashree-NRO in 3 districts namely Kota, Bhilwara and Udaipur. 65 MECs have been selected from the community itself, from all the 3 districts and trained for 6 months by KS-NRO mentors. From September, 2016 they have been deployed in their respective fields. Till date, 2400 micro enterprises (existing and new) have been made and supported by the MECs.

SVEP :-

This is a special project by GOI for promotion of small enterprises, being carried out in two blocks namely Kekri (Ajmer) & Begu (Chittorgarh). This is also in partnership with Kudumbashree. A Detailed Project Report (DPR) of both the blocks has been made. The initiation report for the same has been submitted to NRLM. 27 MECs in both the blocks have been identified and are undergoing the capacity building phase.
Leather Project:-

Around 150 leather artisans from our SHGs in Dausa have been identified. They have been mobilized into 14 leather groups. They traditionally make leather Mojaris which they sell in their villages and some other local markets and haats. A need for upgradation of their design and skills & product diversification was felt. Hence, RGAVP brought in Indian Institute of Craft and Design (IICD) to train these women. Around 12 women took the training. In this training, they learnt to make leather purses, handbags, coin pouches, iPad/Kindle covers & bookmarks. A collective procurement system will also be set up in order to reduce the cost of raw material for these artisans. An exposure visit to Malaut (Punjab) was made by 20 women to see the collective leather depot and its system & functioning.

Bundi Bandhej

750 artisans (our SHG members) from Churu have been identified who are involved in making Bandhej (Tie & Dye) products. A Producer Company has been promoted and registered under Companies act. Rangsutra brought on board to provide support the project “Promotion of Non–farm Livelihoods in tie and dye skill in Churu district under Rajasthan Rural Livelihood Project (RRLP).

7.0 Youth Skill Building & Employment generation

7.1 Convergence with MGNREGS/SBM/IAY:

In order to address various dimensions of poverty, RGAVP aims to take up the task of convergence of SHG programme with various government schemes for social development and livelihood generation, such as MGNREGA, Swach Bharat Mission, Prime Minister Awas Yojna, National Social Assistance Program etc.

7.2 CLF as implementing agency for Category B work under MGNREGA

RGAVP has taken up the task of leveraging asset building on the fields of 1 lakh SHG member’s households under Category B under Mahatma Gandhi NREGA. For this, Government of Rajasthan has authorized Cluster Level Federations under RGAVP to work as Program Implementation Agency (PIA) for Category B (Apna Khet, Apna Kaam) of Mahatma Gandhi NREGA for SHG members. The overall objective is to increase the household income of SHG members to through
sustainable livelihood and vulnerability reduction through land development, irrigation infrastructure development, horticulture and dairy farming works on their land.

7.3 Model convergence blocks

RGAVP submitted a proposal for convergence of SHG programme with various government schemes in three NRLP blocks- Kekri (Ajmer), Begu (Chittorgarh) and Balesar (Jodhpur). The proposal was approved by the Empowered Committee, MoRD, Govt of India in April 2016. Under this project, these blocks will be developed as model convergence blocks in Rajasthan.

Progress highlights:

- 90,000 women have participated in Gram Sabhas and gave their names for individual work and included in their Action Plan.
- 1,07,201 names have been included in Annual Action Plan at Gram Panchayat level
- 47993 Cat-B proposals of SHG member HHS submitted to Panchayat Samiti for Technical Sanction
- 44345 financial sanction for Cat-B works issued, 22991 works implementation started and 611 works completed
- 1731 SHG members availed benefit of housing scheme under IAY/PMAY.
- 18661 SHG members constructed Toilet under SBM.
- 3251 SHG members facilitated to avail benefit through Social Security Schemes like Disability, old age and Widow pension schemes

7.4 Skill Development:

RGAVP is committed to skilling of at least 1 member of families of SHG members in addition to the other interventions of credit support, livelihood development under farm, non-farm or off farm.

RGAVP has been contributing to achieve the mission of skilling by making skill an integral part of its programme. RGAVP has signed a Memorandum of Understanding with RSLDC to train 26, 700 youths under the Employment-Linked Skills Training Programme (ELSTP) and with CIPET for 1000 Youths.
RGAVP has partnered with Maruti Suzuki Training Academy of Maruti Suzuki India Pvt Ltd, Raymond Tailoring Centre, and Nettur Technical Training Foundation (NTTF) course under National Employment Enhancement Mission (NEEM). All selected and trained youth will be given employment in respective company.

8.0 Rajasthan Rural Livelihoods Project

The mission of the project is mobilizing all poor families into self reliant institutions and promoting sustainable livelihoods as well as strengthening public services delivery mechanism. The Government of Rajasthan has identified 18 districts for the implementation of RRLP.

In these 18 districts, The Project aims to reach around 4.0 lac households out of which about 70 percent are expected to be in Project supported SHGs by the end of the Project period according to the availability of resources. Taking an average of 12 members per SHG, it is estimated that the Project will facilitate and nurture around 33,000 SHGs. As on September 2017, more than 50000 SHGs, 3987 Village Organizations and 143 CLFs promoted under RRLP.
